Read: John 4-6

Memorize: Galatians 6:7

1. Types of Soil
2. Result of Dwelling in Good Soil
3. Life Application

The two circles in the diagram below represent two kinds of lives: the self-directed life, and the Christ-directed life.

The one on the left illustrates a life with self in control, and depicts a stressful, chaotic life.

The circle on the right represents a life with Jesus Christ in controls, balanced and orderly, with a potential for rich, productive experiences.

Which circle best represents you?

Which circle would you like to have represent your life?

Meditate on each question in this lesson as well as on the answer. Make this a personal appraisal of your spiritual condition.

Types of Soil

2.) What must happen for the roadside soil to be changed? (Hebrews 3:15)

3.) How can unproductive, rocky ground be made productive? (I Corinthians 10:13 and Proverbs 29:25)

4.) How can individuals described as thorny become vital and effective Christians? (I Peter 5:7, Matthew 6:19-21)

2. What type of soil do most of the professing Christians you know represent?
3. What type of soil would you say your life represents, and what kind do you want it to represent?
