Life Application

Are you presently following the ACTS guide? (Remember, the guide is not mandatory, it is just helpful.) If you use another system, what is it?

How has your understanding of power and promises in prayer been broadened?

What specific time and place have you set aside for daily prayer and devotions? What adjustments do you need to make for it to be more effective?

Memorize and remember: Effective praying is simply asking God to work according to His will and leaving the results to Him.
